

GLENN ARNESEN, CEO, IFS SCANDINAVIA

As the Chief Executive Officer (CEO) of IFS Scandinavia, Glenn's mission is to further strengthen IFS's market position in Scandinavia, and to ensure that the positive development of the Scandinavian business continues—both in terms of growth and an even greater number of satisfied customers.

Since joining IFS in 1999, Glenn has had key leadership positions within sales and marketing. It was the success as Managing Director of IFS Norway that landed Glenn in his current position. On January 1, 2006, Glenn was appointed CEO of IFS Scandinavia.

Before his time at IFS, Glenn was employed by Norwegian pulp and paper company Norske Skog where he, during 1991-1999, was factory manager and Director of sales and marketing for the entire Flooring division. Glenn also worked for Tandberg ASA 1982-1991. With his background from the industry, Glenn has actively contributed to the development of IFS's business strategy with a focus on industry specific expertise and solutions for a number of selected industries.

When not working, Glenn likes outdoor activities such as cross-country skiing.

About IFS

IFS™ is a globally recognized leader in developing and delivering business software for enterprise resource planning (ERP), enterprise asset management (EAM) and enterprise service management (ESM). IFS brings customers in targeted sectors closer to their business, helps them be more agile and enables them to profit from change. IFS is a public company (XSTO: IFS) founded in 1983 and currently has over 2,700 employees. IFS supports more than 2,400 customers worldwide from its network of local offices and through a growing ecosystem of partners. For more information visit: www.ifsworld.com.
