

ULF TILLANDER, GLOBAL INDUSTRY DIRECTOR, RETAIL

Ulf's responsibilities include defining IFS's retail industry roadmap and strategy. Supporting the IFS retail community globally, Ulf enjoys discussing future consumer behavior and its influence on retail operations with existing and prospective customers.

Other favorite topics are omni-channel and how to realize full mobility; understanding the digital client's needs and becoming a truly digital business; and growing the segment of software-as-a-service in the retail industry as old business models are constantly under pressure to change and evolve.

Ulf has 15 years of experience from various parts of the IT industry, including IT value propositions for full outsourcing as well as ERP and functional management of retail-centric processes.

About IFS

IFS™ is a globally recognized leader in developing and delivering business software for enterprise resource planning (ERP), enterprise asset management (EAM) and enterprise service management (ESM). IFS brings customers in targeted sectors closer to their business, helps them be more agile and enables them to profit from change. IFS is a public company (XSTO: IFS) founded in 1983 and currently has over 2,700 employees. IFS supports more than 2,400 customers worldwide from its network of local offices and through a growing ecosystem of partners. For more information visit: www.ifsworld.com.
