

MARCIN TARANEK, PRESIDENT OF IFS CENTRAL & EASTERN EUROPE AND IFS POLAND

Marcin Taranek has been the president of Industrial and Financial Systems Central and Eastern Europe Sp. z o.o. (IFS CEE), since December, 2008. As manager of the company's operations in Europe East and Central Asia, Marcin is responsible for IFS's business in countries such as Poland, Czech Republic, Slovakia, Hungary, Russia, Ukraine, Belarus, Kazakhstan, Uzbekistan, Azerbaijan, Georgia, Romania, Cyprus, Turkey, and Israel.

Marcin Taranek has been working for IFS since 1998, when he was appointed financial director of IFS Poland. Following the establishment of IFS CEE in 2001, Marcin became financial director and board member of the new company. In this role, he was responsible for IFS's financial operations in the Europe East and Central Asia region. Marcin Taranek was later appointed vice president of the board. In May 2005, he was made president of IFS Poland. As president of IFS CEE, Marcin Taranek is responsible for Poland on an operational level.

Marcin Taranek is a graduate of the Economy and Sociology Department of the Łódź University. Before he joined IFS, Marcin Taranek worked for a number of years for Coopers & Lybrand (later PricewaterhouseCoopers).

Marcin Taranek is married and has four children. He is a keen tennis player who, during the winter, likes to go skiing with his family.

About IFS

IFS™ is a globally recognized leader in developing and delivering business software for enterprise resource planning (ERP), enterprise asset management (EAM) and enterprise service management (ESM). IFS brings customers in targeted sectors closer to their business, helps them be more agile and enables them to profit from change. IFS is a public company (XSTO: IFS) founded in 1983 and currently has over 2,700 employees. IFS supports more than 2,400 customers worldwide from its network of local offices and through a growing ecosystem of partners. For more information visit: www.ifsworld.com.
