

# IFS SELECT

The path to excellence  
is our mutual desire  
to achieve success

IFS

## COLLABORATION AND A SHARED FOCUS ON MEASURABLE STRATEGIC OUTCOMES TO ACHIEVE LONG TERM MUTUAL SUCCESS

As a multinational implementing major global transformation projects you need capability, assured performance, accountability and control.

IFS Select provides a continuous, fully-managed engagement program to drive and maximize successful commercial outcomes from your IFS investment, year after year.

## IFS CUSTOMER SUCCESS

IFS enterprise software offers the opportunity to transform the way you develop, position and market your business.

Bringing together proven tools, methodologies and engagement activities, the IFS Customer Success program proactively identifies business growth and opportunity areas, constantly refining your IFS solution to ensure maximum relevance and lifetime value.

Accelerate your solution implementation, assure delivery and fully maximize commercial value throughout the system lifetime with consulting services and components to suit your needs.

## HOW IT WORKS

A multi-year subscription secures ongoing access to the IFS Select framework backed by IFS Methodologies and Tools.

Core elements available include:

- Customer Success Management with a jointly-developed and implemented strategic plan
- Continuous value engineering to maximize business impact
- Application management by IFS experts on-demand
- Project safeguarding for self-managed and partner-led projects
- End-to-end Service Level Agreements (SLAs)

## BUSINESS BENEFITS WITH IFS SELECT

IFS Select lets you accelerate and maximize returns from your IFS investment.

By continually optimizing and refining your system, and working with you to define and realize meaningful outcomes, IFS Select puts your business ahead.

- **Engage with one consistent, embedded team**—enjoy one coherent business vision and success plan across all activities and outputs
- **Access flexible deployment options**—on premise and hybrid cloud solutions possible
- **Ensure predictable outcomes**—get recommendations and advice based on extensive IFS experience to support your business needs
- **Commitment with a multi-year agreement**—set shared goals for business success over the short, medium and long term
- **Enhanced back office support**—global IFS access means fast, efficient response
- **Executive sponsors**—talk with senior IFS executives directly engaged in your success management

## BE A SELECT CUSTOMER AND ENJOY A FULLY-MANAGED SERVICE

IFS SELECT offers the benefits of a dedicated IFS team monitoring, optimizing and managing business performance for you for the lifetime of the system.
